

**AMENDMENT  
TO FEATURED RECORDING ARTIST AUTHORIZATION LETTER**

Dear Featured Recording Artist:

Over the years, AARC has successfully represented you with regard to royalties collected and distributed under the Audio Home Recording Act of 1992 ("AHRA"). AARC is now pleased to announce that it can provide you services in the area of hometaping and/or rental royalties paid in connection with certain foreign royalties collected for: the rental of U.S. sound recordings in foreign countries, and the hometaping of U.S. sound recordings in foreign countries.

Such services will include representation before foreign societies designated to collect the above-referenced royalties and the distribution of these royalties to entitled featured artists.

By authorizing us to represent you, you agree to allow us to establish the mechanisms and operating procedures necessary to accurately and efficiently acquire data for purposes of calculating hometaping and/or rental royalty distribution, represent you before the relevant bodies, and distribute your portion of the hometaping and/or rental royalties to you. You agree to provide us, where necessary, accurate and timely information regarding your entitlement to these royalties.

AARC will deduct only its administrative expenses incurred in the collection and administration of these hometaping and/or rental royalties. These expenses must be approved by the AARC board which consists of 13 well-respected artist representatives, such as Jay Cooper, Lee Phillips and Gary Haber and 13 record company executives.

To authorize AARC to represent your interests with regard to foreign hometaping and/or rental royalties, please sign this amendment and return to AARC.

Finally, as with your Featured Recording Artists Authorization letter, this amendment will remain in effect until terminated in writing, via registered mail, upon 60 days notice by either party; provided, however, that AARC will continue to be authorized to represent you under the terms of this amendment with respect to any particular year's hometaping and/or rental royalty proceeding commenced prior to the effective date of termination.
