

**AMENDMENT
TO RECORD COMPANY AUTHORIZATION LETTER**

Dear Record Company:

Over the years, AARC has successfully represented you with regard to royalties collected and distributed under the Audio Home Recording Act of 1992 ("AHRA"). AARC is now pleased to announce that it can provide you services in the area of hometaping royalties paid in connection with certain foreign royalties: the hometaping of U.S. sound recordings in foreign countries.

Such services will include representation before the foreign societies designated to collect the above-referenced royalties and the distribution of these royalties to entitled record companies.

By authorizing us to represent you, you agree to allow us to establish the mechanisms and operating procedures necessary to accurately and efficiently acquire data for purposes of calculating hometaping royalty distribution, represent you before the relevant bodies, and distribute your portion of the hometaping royalties to you. You agree to provide to us, where necessary, accurate and timely information regarding your entitlement to these royalties.

AARC will deduct only the expenses incurred in the collection and administration of these hometaping royalties. These expenses must be approved by the AARC board.

To authorize AARC to represent your interests with regard to foreign hometaping royalties, please sign this amendment and return it to AARC.

Finally, as with your Record Company Authorization letter, this amendment will remain in effect until terminated in writing, via registered mail, upon 60 days notice by either party; provided, however, that AARC will continue to be authorized to represent you under the terms of this amendment with respect to any particular year's hometaping royalty proceeding commenced prior to the effective date of termination.
